

ICON of HOPE Project

A fundraiser for St. Jude Children's Research Hospital

Brought to you by ICON of the Year, 2010-2011,
Katie Fasbach

Late entertainer, Danny Thomas opened the doors to St. Jude Children's Research Hospital in 1962. ICON Dance Complex, since opening its doors, has made donations. With our own spot in entertainment history, we ask for your participation to dance, draw and donate to a cause we believe in.

Now Thru December 2nd

Draw a dance masterpiece on an 8 1/2 X 11 sheet of paper. The only title/words on the page should be: **ICON of HOPE**. On the back, include your name, age and email, phone number. Drawings should be dropped off/sent to ICON DANCE COMPLEX in an envelope marked: ICON of HOPE Project.

All drawings should be accompanied by \$5 donation which will go directly to our annual holiday check to *St. Jude*. Participate as many times as you would like.

A video montage of the photos will be created and sent to the child patients and posted on Youtube this Holiday season. Drawings will be on display at the ICON Holiday Gala in December and at the Monmouth County Library during January. **A winner will be chosen for "Most ICONic Drawing" and will become our postcard design for seasonal cheer.** More information on this contest can be found at:

Please spread the word. Make this an ICONic fundraiser.
Thank you.

St. Jude Children's Research Hospital is internationally recognized for its pioneering research and treatment of children with cancer and other catastrophic diseases and is the first and only National Cancer Institute-designated Comprehensive Cancer Center devoted solely to children.
